

TEMPLE ISD STUDENT CERTIFICATION OPPORTUNITIES

Wildcat Workforce Career & Technical Education programs offer opportunities for students to earn a State Board of Education approved industry certification and/or a professional license. Passing an industry-approved examination verifies that students have the knowledge and skills to competitively compete for higher education and career opportunities after high school. Wildcat Workforce courses rendering these certifications begin as early as 8th grade and continue through a student's senior year of high school. Student's have opportunity to earn 32 industry based certifications through Wildcat Workforce programs of study. Career pathways include: Animal Science, Plant Science, Carpentry, Design & Multi-media, Digital Communications, Accounting, Teaching & Training, Healthcare Diagnostics, Healthcare Therapeutic, Culinary, Cosmetology, Family & Community Services, Law Enforcement, Manufacturing Technology, Welding, CyberSecurity, Programming & Software Development, Automotive Technology, and Automotive Paint & Body. See the Programs & Partners tab for specific course details.
